We're asking publishers to restore access to more than 500,000 books. In connection with this, we're providing a detailed Saraswati Puja Vidhi that can be performed on all Saraswati Puja days, including Vasant Panchami. This significant day is also known as Shri Panchami and is dedicated to the worship and blessings of Goddess Saraswati, the patron deity of arts, knowledge, and wisdom. This Puja Vidhi includes sixteen steps of worship, commonly referred to as Shodashopachara Puja. It begins with meditation on Mata Saraswati by facing an already installed Bhagawati Saraswati statue in front of you. A specific mantra should be chanted while meditating on the Goddess.
